

### What is the Care Ministry for the Vine Students?

The Care Ministry will integrate Vine students as helpers with the Host Ministry on Sunday Mornings. Each week, one small group of students will serve in the different host ministries going on during the 9:00 a.m. service on Sunday mornings. Groups will rotate every six weeks.

Some of the places students will serve:

- Greeters and ushers at the main entrance
- Greeters at the children's welcome desk outside S'MORE Theater & BibleZone
- Greeters at the nursery
- Serving in the Café

*care*

### Why have we introduced the Care Ministry?

Each ministry at Fairview Village Church aspires to reflect the mission of the church, Celebrate, Connect and Care. The Vine students will be engaged intentionally in a ministry that relates to the "care" portion of our mission. Through helping the Host ministry, the Vine students will begin to experience what it means to serve others and also gain a sense of their own spiritual gifts, while still in their early teen years. Students will also get connected with other church ministries and ministry leaders, which we hope will solidify their sense of belonging to Fairview Village Church. We believe in the students and the great things they have to offer both now and in the future!

### When/Where will Students Participate?

- Groups will serve once every six weeks.
- On the Sunday morning that the student's group is serving, meet in the main lobby outside of the Worship Center at 8:30am.
- Pick up their youth ministry helper name tags.
- Determine where they will be serving that morning.
- Students who help in the nursery and BibleZone will remain there until the service is over. They can return to the Vine after the Host ministry dismisses them to finish up the morning with their small group.
- Students who serve in the café, the children's welcome desk and as greeters at the main entrance will return to the Vine once the main church service begins (when the music starts).
- Your child can always be picked up at the Vine.

### Who is working with the Vine Care Ministry?

The Care Ministry is the result of "many hands making light work".

Erica Delp, our Vine Care Coordinator, and Kathie Cwienkala, Pastor of Connections and Care, will be connecting the small group serving each week with the various host ministries they'll be helping with at the 9:00 a.m. Sunday service.

Small group leaders will also be involved in sending reminders to students prior to the week that they are serving.

Ellyce Korber will also place a reminder "*In The Loop*" for each small group the week before they go on rotation.

We are very thankful for and blessed by the support that you give students of the Youth Ministry at Fairview Village Church and look forward to seeing firsthand how they will develop in new and different ways through our new Care Ministry.
